The cold weather for persistent rains that it has not been possible, wharvest the beets and part of the potatoes. All engaged in the work at the Rügen base. Manpower, which the land workers limit themselves, is inade. In the municipality of Karusu-Usedal 30 hectares of the ground on 1 December 1952. Of 400 hectares of hectares had been sown. In the municipality of Lebectares of sugar beets and five hectares of potativolkspolized units have been put to work at the hedgrees of frost. Things came to a small revolt smong the collectors. They were accused of sabotage by the Socialist Unit not known how to work without rest, and had been common human feelings. Now each collector must fit before Christmas, as a punishment Because the measures of the measure of the measurement of the persent the measurement of the secure of the common human feelings. Now each collector must fit before Christmas, as a punishment because the measurement.	icultural economy since the llowed so quickly after the present time, to the services ble vehicles a with the eight-hour day to quate. If sugar beets were still in winter seeding, only 120 lipe-Usedom, more than 20 lipe-Usedom, more than 20 lipe-Usedom in about five of the Greifswald districtly Ferty (SED) because they must be not influenced by and 3 to 5 tons of pork dail ants have nothing left, the are to be taken over by the
OF THE UNITED STAT AND 794, OF THE U. LATION OF ITS COMP. LAW.	Catastrophic conditions have prevailed in the agrarrival of freezing weather. The cold weather for persistent rains that it has not been possible, whereast the beets and part of the potatoes. All engaged in the work at the Rugen base. Manpower, which the land workers limit themselves, is inaded the ground on 1 December 1952. Of 400 hectares of hectares had been sown. In the municipality of Karusu-Usedon, 30 hectares of hectares of sugar beets and five hectares of potations have been put to work at the hedgrees of frost. Things came to a small revolt smong the collectors They were accused of sabotage by the Socialist Unit not known how to work without rest, and had been common human feelings. Now each collector must five before Christmas, as a punishment, because the pens is nothing to seize. A further surprise for the collectors is that they so-called district authority on 1 January 1953, where the pens is nothing to seize.	icultural economy since the clowed so quickly after the p to the present time, to the services ble vehicles a with the eight-hour day to quate. of sugar beets were still in winter seeding, only 120 sipe-Weedlan, more than 20 wes remained unharvested. Investing in about five ity Ferty (SED) because they are to be taken over by the are to be taken over by the their pay will be reduced. Supervision of the
